Protect Your Business. Improve Cash Flow. Stay Compliant.

In today's fast-paced business environment, managing credit and collections is more than just a numbers game—it's a **legal minefield**. One misstep can expose your organization to costly disputes, penalties, or reputational risk.

This webinar is designed to equip **business owners, finance professionals, and credit managers** with the legal knowledge needed to confidently manage credit and collections while staying compliant.

What You'll Learn:

- Key **legal considerations** in consumer and commercial credit
- Best practices for **compliant collection activities**
- How to **reduce legal risk** while improving cash flow
- Common pitfalls—and how to avoid them

Who Should Attend:

- Business Owners
- Finance & Accounting Professionals
- Credit & Collections Managers
- Anyone involved in extending or collecting credit

Don't let legal risk stand in the way of getting paid.

Reserve your spot and gain practical insights you can apply immediately.
